I LIKE HOSPITALITY

Catering crew

Do you want to make sure the volunteers, staff, crew and guests are happy? Do you enjoy taking care of people and making them feel at home? Then sign up for the catering crew! As a member of the catering crew you ensure that no one is hungry or thirsty. You deliver lunch and supper for those working during lunch and dinnertime and check if there are enough provisions for the day. Your tasks vary from going to the supermarket to making lunch or supporting the other crewmembers during dinner.

You:

- Have a caring nature
- Are happy when you can make others happy
- Are enthusiastic, friendly, social and open
- Want to use or improve your hospitality skills

Working hours: during the festival between 09:00 and 21:00.

Bar staff

When you have experience as a bartender, you can help at one of the two bars at the festival. At the bars, the visitors, guests and other volunteers come by to enjoy a drink. As bar staff you manage this bar and serve the guests. This job is perfect for you if you are open, social, welcoming and know how to positively influence the atmosphere with a smile. Do you have experience in this field and do you like to keep our visitors happy? Then this function is for you!

As bar staff you are cordial and you know how to convey your enthusiasm.

You

- Have an open attitude and are hospitable
- Are able to elevate the room with a smile
- Are happy when the visitors are happy

For this function, experience with work behind a bar is an advantage, but not necessary.

Working hours: During the festival, between 09:00 and 01:30.
